

RACE-BRED ARABIANS

ON THE TRACK

Arabians horse racing has taken place at American tracks since 1959.

Diamond Gem AA wins the \$200,000 Grade 1 UAE President Cup, the richest horse race for the Arabian breed in American history. Held after the 150th Preakness, it was the last race at the old Pimlico and gave Arabian horses one of their biggest stages ever.

The Arabian Jockey Club exists to provide fundamental infrastructure and promotion for Arabian Racing and to illustrate the value of Race-bred Arabians in disciplines beyond racing. www.arabianracing.org
